

JOB DESCRIPTION

CABINET MAKER/LAMINATOR

Evolve Solutions, LLC is a high-end custom fabrication company based in Painesville, OH. Our clients are some of the biggest motorsport teams and brands in the world, for which we assist in designing and fabricating race transporters. We have a sharp focus on client satisfaction and a desire for continued innovation.

This position reports to the Carpentry Foremen.

WHAT YOU CAN EXPECT IN THIS ROLE:

To build, laminate and install cabinets, walls, and similar according to plan drawings and Foreman direction.

KEY RESPONSIBILITIES:

- Reading and understanding provided plan drawings
- Taking accurate measurements and calculating the size and amount of material required
- To Laminate cabinets, panels, and finish file
- Build and installs all cabinetry in new transporters
- Produce quality
- Accurately log time to the correct project
- Completes all other related tasks as assigned by management

TOP SKILLS:

- Hands-on experience in working with carpentry materials
- Excellent knowledge of cabinetry installation, assembly, and finishing procedures or the ability to learn quickly
- Proficient in using power and manual tools and equipment including measuring tools. (Table saws, sanders, tape measure, etc.)
- Router experience is a plus, but not required
- Excellent problem-solving abilities
- Follows all safety guidelines
- Strong communication skills
- Attention to detail
- Ability to follow instructions and work independently
- Ability to work under stress and maintain tight deadlines
- Comfortable working in a fast-paced environment
