

JOB DESCRIPTION

FABRICATOR/ASSEMBLER

Evolve Transporters is a high-end custom fabrication company based in Painesville, OH. Our clients are some of the biggest motorsport teams and brands in the world, for which we assist in designing and fabricating race transporters. We have a sharp focus on client satisfaction and a desire for continued innovation.

This position reports to the Shop Foreman.

WHAT YOU CAN EXPECT IN THIS ROLE:

To fabricate and install all components of new transporters and to ensure all jobs are properly executed.

KEY RESPONSIBILITIES:

- Evaluates all engineering drawings and ensures implementation according to specifications.
- Works with different hand and power tools including cold saw and drill press.
- Installs all equipment on new builds such as decking, AC lines, roll, roof, aluminum floor and trim
- Rivet/mono bolt
- Using adhesives/tape
- Evaluates and performs quality checks on finished products.
- Paint/paint prep including sanding, chassis paint and metal prep
- Completes all other related tasks as assigned by management.
- Maintains a good work attitude and cooperates with managers and fellow teammates in a positive spirit of teamwork

TOP SKILLS:

- Ability to read blueprints
- Ability to cross train
- Fabrication
- Ability to use hand tools and machinery
- Strong communication skills
- Ability to follow instructions and work independently
- Excellent critical thinking and problem-solving abilities
- Attention to detail
- Ability to work under stress and maintain tight deadlines
- Comfortable working in a fast-paced environment
