

Job Description

WELDER/FABRICATOR

Evolve Transporters is a premium custom fabrication company based in Painesville, OH. We design and manufacture race transporters for some of the most prominent motorsports teams and brands in the world. We have a sharp focus on client satisfaction and are committed to continuous innovation.

This position reports to the Shop Foremen.

WHAT YOU CAN EXPECT IN THIS ROLE:

To work with other welders/fabricators and independently produce transporters.

In various capacities, team members will cut, weld, assemble, and install materials and hardware. As the project nears completion, tasks will be modified and clarified.

This position relies on the ability to weld, construct, assemble, and install as directed.

Problem-solving and critical thinking are daily duties.

KEY RESPONSIBILITIES:

- Ability to cut, fit and weld metal materials, utilizing general light gauge (16ga -12") MIG (GMAW) or TIG welding skills as defined by print specifications, Team Lead or Foreman.
- Ability to read and understand print specifications to measure and position metal material for welding operation.
- Effectively fabricate, assemble, and install materials in a non-welding capacity.
- Properly operate a wide range of power and hand tools including, but not limited to saws, grinders, drills, welders, overhead cranes, man-lifts, and forklifts.
- Ability to accurately read and use a tape measure and similar measuring tools (imperial).
- Must be able to comply with company safety policies, keep work area clean and neat and perform regular shop cleaning and maintenance on tools.
- Accurately records all time to the correct projects.
- Accurately signs out all required inventory materials and hardware to the correct projects.

TOP SKILLS:

- Experience, MIG welding, TIG welding, Fabricating, Torching, Grinding and steel manufacturing.
- Excellent critical thinking and problem-solving abilities.
- Follows all safety guidelines
- Effective communication skills
- Ability to read print drawings.
- Attention to detail.
- Ability to follow instructions and work independently.
- Ability to work under stress and maintain tight deadlines.
- Comfortable working in a fast-paced environment.
