

JOB DESCRIPTION:**Title: CARPENTER**

Evolve Solutions, LLC is a high-end custom fabrication company based in Painesville, OH. Our clients are some of the biggest motorsport teams and brands in the world, for which we assist in designing and fabricating race transporters. We have a sharp focus on client satisfaction and a desire for continued innovation.

This position reports to the Foremen within the Woodshop Department.

WHAT YOU CAN EXPECT IN THIS ROLE:

Working under the direction of the Woodshop Foreman, one can expect to install floors, walls, and cabinetry in all assigned transporters according to provided plan drawings and Foreman direction. Below is a list of job responsibilities and skills pertaining to this role, role will require assignment of duties not covered on this list.

CORE RESPONSIBILITIES:

- Reading and comprehension of provided plan drawings.
- Ability to take accurate measurements and calculate the proper size and amount of material required for each assigned job.
- Ability to measure, cut, and fit various types of materials including plywood.
- Preparation of interior floors for final finish.
- Preparation and installation of interior walls.
- Installation of cabinets, doors, hardware, and other related items.

PREFERRED SKILLS:

- Hands-on experience working with carpentry, cabinet setting, and/or finish carpentry materials.
- Proficient in using manual & power tools such as: Table saws, sanders, routers, tape measures, etc.)
- Goal oriented with a focus on meeting established deadlines.
- Ability to follow all safety guidelines and precautions.
- Excellent problem-solving abilities
- Strong verbal communication skills.
- Detail oriented, has an attention to detail.
- Ability to follow given instructions and work independently.
- Capable of working in a team setting when required.
- Comfortable working in a fast-paced environment.
- Ability to lift 50 lbs. or more when needed.
