

Job Description

Painter

Evolve Transporters is a high-end custom fabrication company based in Painesville, OH. Our clients are some of the biggest motorsport teams and brands in the world, for which we assist in designing, fabricating and servicing race transporters. We have a sharp focus on client satisfaction and a desire for continued innovation.

This position reports to the Shop Foreman.

What You Can Expect In This Role:

To paint all components of new builds and service work and to ensure all jobs are properly executed.

Key Responsibilities:

- Inspects condition of panels and parts to be painted for any defects in repair, prepping or masking; refer any issues discovered to supervisor.
- Sands aluminum and steel surfaces to ensure that paint adheres to surface and provides corrosion control methods to customer specifications.
- Masks and covers portions of surfaces not to be painted.
- Applies paint to new builds, parts, service jobs, and experiential projects.
- Performs color mixing and tinting, spray booth operations, operate prep stations, applying primers, sealers, color, and clear coats
- Evaluates and performs quality checks on finished products.
- Maintains a good work attitude and cooperates with managers and fellow teammates in a positive spirit of teamwork.

Top Skills:

- Ability to follow written and verbal instructions
- Prepping and Painting
- Ability to cross train
- Strong communication skills
- Ability to follow instructions and work independently
- Excellent critical thinking and problem-solving abilities
- Attention to detail
- Ability to work under stress and maintain tight deadlines
- Comfortable working in a fast-paced environment
